

Dear Friend,

As Purim approaches and we embark on our annual Purim Mishloach Manos project, we are reminded of how much the Rebbitzin loved and invested in this project. She would put so many hours into it; planning, organizing, and giving them out with her signature smile. She valued it so much because it is such a beautiful way for the community to do a Mitzvah. It brings us all together and is an important fundraiser.

As the Rebbe told us so often in connection to 22 Shevat "והחי יתן אל לבו" "and the living shall take to heart".

Let's all embrace this Mitzvah with enthusiasm and come together doing a Mitzvah Shandy held so dear.

This innovative project brings the Purim spirit to so many.
